

Product Lines

ABB CONTROL SYSTEMS

Control and safety for your process & power automation needs.

- Freelance Hybrid Control Systems
- Distributed Control Systems (DCS)
- Process Automation Systems
- Programmable Logic Controls (PLC)

ABB PROCESS ANALYTICS

Providing real-time analysis of a process sample or stream.

- Process Gas Chromatographs
- Physical Property Analyzers
- Process Mass Spectrometers
- Process/Laboratory FTIR Analyzers

ABB TOTALFLOW

Single source for all natural gas measurement & automation needs.

- Natural Gas BTU Measurement
- Flow Computers
- Oilfield Level Measurement
- Oil/Gas Well Production Automation
- Gas Chromatographs

ABB INSTRUMENTATION

FOUNDATION Fieldbus, PROFIBUS & HART enabled instrumentation.

- Actuators & Positioners
- Coriolis Meters & Mag Meters
- Controllers & Flow Measurement
- Pressure/Temp Transmitters

K-TEK - (A MEMBER OF THE ABB GROUP)

State-of-the-art level instrumentation for liquid & bulk solids detection.

- Pressure & Temperature Switches
- Vibrating Fork Level Switches
- Speciality Level Instruments
- Magnetic Level Switches

SPIRIT IT - (A MEMBER OF THE ABB GROUP)

Innovative solutions, sustainable measurement & control systems for the global oil & gas industry.

- Flow-X Flow Computers
- eXlerate Supervisory Software

ADVANCED INSTRUMENTS, INC.

Worldwide supplier of oxygen sensors & oxygen analyzers.

- Trace H₂S Analyzers
- Sampling Systems
- Trace & Percent Oxygen Analyzers
- Class 1, Div 1 & 2 Locations

AMERICAN SENSOR TECHNOLOGIES

MEMS pressure sensors, pressure transducers & pressure transmitters.

- Position Sensing
- 1-5V, 4-20mA, mV
- Pressure Sensors & Switches
- Class 1, Div 1 & 2 Locations

FOSSIL POWER SYSTEMS

Leader in control solutions & instrumentation.

- Boiler Drum Level
- Color Bi-Color Water Level
- Feedwater Heater Level
- Single Probe Alarm Modules

BRIGHT AUTOMATION

Advanced control technology, intelligently applied.

- Wireless Load Cell
- Rod Pump & VSD Controller
- Wireless & Stand-Alone Inverters
- Wireless Inclinometer

FREEWAVE

The most diverse family of high-performance & durable radios.

- Spectrum Radios, I/O Series Radios
- Licensed Frequency Radios
- High Throughput/Ethernet Radios
- Wireless Multi-Purpose I/O

FLOWSERVE

Flow control products for the world's most critical applications.

- Pumps
- Seals
- Severe Service Ball Valves
- High Performance Butterfly Valves

**Not your Average
Representative Firm**

METSO JAMESBURY

Automated on-off & tight shut-off rotary valves; network-ready capable.

- Ball, Flanged & Butterfly Valves
- Manual & Actuated Valves
- Special Service Valves
- Flanged Ball Valves

METSO NELES

Rotary control, automated on-off valve solutions & intelligence devices.

- Electric & Pneumatic Actuation
- Rotary Plug Control Valves
- Segmented Plug Control Valves
- Positioners

PGI INTERNATIONAL

Total product capability for the process, power & gas industries.

- Instrument Valves & Manifolds
- Sample Probes & Cylinders
- Liquid & Gas Sampling Systems
- Heated Sample Enclosures

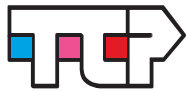

Red River Instrument, Inc.

RED RIVER INSTRUMENT

High quality orifice plates for the natural gas industry.

- Notched Nitrile Seals
- Orifice Plates
- Universal & Paddle Plates
- Circular Polished Paddles

THERMO-COUPLE PRODUCTS

Leader in the manufacturing of temperature sensors.

- Protection Tubes
- Industrial Assemblies
- Turbine RTDs
- Resistance Temperature Detectors

A world authority in steam engineering products and services.

- Pressure Regulators
- Steam Traps
- Pumps, Pump Traps
- Vacuum Steam Heating & Cooling

TESTO

Portable combustion efficiency & air emission analyzers.

- Portable Emission Analyzers
- Combustion Analysis

WOODWARD

Energy control systems & solutions built for exceptional performance.

- Diesel & Gas Engine Controls
- Generator & Switchgear Controls
- Actuators & Governors
- Mechanical Governor Repair

PHYMETRIX

Innovative products for Trace Moisture Measurement.

- Sampling Systems
- Loop Powered Moisture Analyzer
- Explosion-Proof Moisture Analyzer
- Portable & Benchtop Analyzer

JOHNSON MATTHEY

Catalysts, metals & process technology.

- Catalytic Converters
- Integrated Catalytic Silencers
- Diesel Particulate Filters
- Emissions Regulation Compliance

POWER BLANKET *powerblanket*

Delivering a barrier of uniform directional heat where it's needed most.

- Electrically Heated Industrial Blankets
- Custom-fitted Tank Heaters
- Custom-fitted Instrument Blankets

WEIR

Highly-engineered products for minerals, oil/gas, and power.

- Knife Gate Valves
- Check Valves
- Pinch Valves
- Linatex Liners

CYCLONIC VALVE

More than just a valve. Every Cyclonic valve is an Engineered Solution.

- Combination Ball & Check Valves
- Choke Valves
- Flange & Weld End Ball Valves
- Pressure Reducing Valves

DELTA INDUSTRIAL VALVES

American made, superior quality knife gate valves.

- Knife Gate Valves
- Hydraulic, Pneumatic, Electric
- Severe Service Knife
- Actuation

DYNA-FLO CONTROL VALVES

FISHER, reconditioned or new valves and valve parts.

- Control Valves
- Actuators/Positioners
- Globe Style Control Valves
- Pressure Controllers
- Segmented Ball Control Valves
- Level Controllers

HABONIM

Leading manufacturer of ball valves & pneumatic actuators.

- 3-Piece Valves
- Ball Valves
- Flanged Valves
- High Pressure Valves
